

**REMARKS**

Claims 53-66 are pending in this application. Claim 53 is in independent form. Claims 54-66 depend, directly or indirectly, from claim 53.

The Examiner has required the Applicants to elect a species in component (ii) of claim 53, and a species in component (iii) of claim 53. In the Office Action, the Examiner referred to "claim 1," but presumably intended to refer to claim 53, which is the only pending independent claim.

In response to the restriction requirement, the Applicants elect  $\text{Al}_2\text{O}_3$  in component (ii) of claim 53, and  $\text{SiO}_2$  in component (iii) of claim 53. Claims 53-66 are directed to this embodiment, and claims 53-66 are submitted to be generic to all species.

Respectfully submitted,
